说明:

#### Notes:

1、已经完成业主审批手续的各种材料品牌(供应商框架协议)不受本名单约束;

Material brands that have completed the owner's approval procedures (supplier framework agreement) are not subject to this list;

2、承包商需要采购本名单外的品牌,该品牌必须有近十年三个以上项目总投资额大于等于 100亿的大型炼油项目、乙烯项目、煤化工项目、核电项目使用的良好业绩,采购前由需求 承包商书面提出申请报业主审批后才可采购使用。审批表格式见附页。

When the contractor needs to purchase a brand outside this list, the brand must have a good track record in the past ten years of more than three projects with a total investment of more than or equal to \$10 billion in large-scale oil refining projects, ethylene projects, coal chemical projects, nuclear power projects. Before purchasing, the corresponding contractor needs to apply in writing for the owner's approval before purchasing and using the brand. The approval form format is shown on the attached page.
